DISTINGUISHED DIVINE DEAD

REV. THOMAS N. BOYLE, D. D., FORMER MINISTER HERE

ONCE A CIRCUIT RIDER

Life Full of Notable Service to Humanity Closed at Crafton, His Home, Wednesday—Assisted in Dedication of New M. E. Church Here.

Pittsburg, June 15. — Rev. Dr. Thomas N. Boyle, aged 72, a veteran of the Methodist Episcopal church and known from coast to coast, in every municipality, town, village and hamlet where the doctrine of Wesley and Asbury is preached, died at his home in Bradford avenue, Crafton, yesterday afternoon at 5 o'clock. His death was caused by heart disease, superinduced by acute indigestion, by which he was stricken last Friday.

Dr. Boyle, like many other ministers of his faith, began his church work riding a circuit, rising soon to the regular pastorate of a church and finally branching out into participation of broader work. He began life broadly, but soon left other paths for religious work, and eventually was active in its most active phase as a chaplain of a fighting regiment.

Dr. Boyle was born April 26, 1839, in Blairsville, Indiana county, and his father, Thomas Boyle, for years was justice of the peace there. Dr. Boyle's great-grandfather was an Indian trader.

After serving as a boot black and then finishing his trade as a printer he attended the academy at Blairsville, working morning and evening in the Center Democrat office for his board and attending the academy during the day. For a short time he was one of the editors of the Democratic Whig.

Later he went to Bellefontaine, Pa., where he met Rev. John Towner and Rev. M. P. Crosthwaite, who induced him to attend a protracted meeting they were conducting in the town. Under their preaching he was converted and in the summer of 1858, when he returned to Blairsville, Dr. P. L. Dempsey prevailed upon him to go to supply for pulpits in the Murrysville circuit. A large congregation turned out to hear the "boy preacher" in his first sermon, at Murrysville.

Six months later he was licensed to preach and was received on trial in the Pittsburg conference.

While located at Florence the Civil war broke out. In 1862 he enlisted at Florence and was detailed to the 140th regiment, Pennsylvania volunteers, which had just been organized. He was made captain of Co. H, but while the regiment was guarding the railroad property in Maryland he broke down physically and was compelled to resign. He returned to Florence and resumed his duties there.

In 1862 Dr. Boyle was married to Sarah E. Craig, and was given charge of the Pine Run circuit. After serving two years at Pin Run he was transferred to Hamlin church, Steubenville, O., where he remained three years and from there to Greensburg, for two years. He went to South Common for three years; to Salem O., for two years, and to Monongahela for one year. He was then appointed presiding elder of the South Pittsburg district for four years; to Pittsburg for four years and to Allegheny district, serving four years.

Dr. Boyle was then returned to the pastorate, serving First church, McKeesport, three years; Braddock, five years; Uniontown, four years, and to West End, three years. He was again appointed presiding elder of the Pittsburg district, serving five years, and from there to Allegheny district.

Dr. Boyle had spent 52 years in active church work, having been presiding elder or district superintendent of the Allegheny district of the Methodist Episcopal church for the last 20 years and 32 years as a pastor. Dr. Boyle was a trustee of the American university at Washington, D. C.; trustee of the Mt. Union college of Alliance, O.; trustee of Allegheny college, Meadville; president of the board of trustees of Beaver college at Beaver, Pa., and trustee of Western university.

Dr. Boyle received his title of doctor of divinity from the Mt. Union college and the title of doctor of laws from the Western university. He joined the order of Free and Accepted Masons in 1867 and the following year was made a Chapter Mason. In

HEALTHERS WILL PROCEED TO ENFORCE FOOD COVER ORDERS BY ENACTING AN ORDINANCE

As the result of the noncompliance of the local dealers in food stuffs with the request of the board of health that they enclose exposed products in glass cases to keep them from being contaminated by flies, etc, the healthers Wednesday evening instructed teh city solicitor to draw up an ordinance compelling dealers to take the precaution and give the protection to customers as requested. The advisability of passing this proposed ordinance will be considered at the next monthly session.

The city solicitor gave the board a ruling to the effect that it has the power to make such a regulation if it deems it necessary to prevent the spread of disease and to protect the health of citizens. A state law gives a board of health this power and failure to comply with the provisions of such an ordinance is punishable by arrest. Upon conviction, the guilty party may be fined $10 and for a second offense may be fined that amount or be imprisoned for 90 days or both.

As the result of a complaint of the warm and muddy condition of the city water, the health officer and sanitary policeman were instructed to make

BILLY SUNDAY NOT IN DANGER OF WOLF.

FRIEND BELIEVES FRANK BUELL WAS VICTIM OF THEFT

A friend of Frank Buell, who died in Canton Monday night, has made the assertion that to his knowledge the deceased man had about $200 in money, two diamond rings, a diamond stud, a gold watch and chain and a bank book on his person at the time of his death, none of which could be found after his death. This friend and Mr. Buell were together in Alliance about 3 o'clock Monday afternoon.

A special car on the Stark Electric Thursday morning following the regular at 9:15 brought members of the Alliance bricklayers and Eagles to this city to attend the funeral of Mr. Buell which was held at the home of Mr. and Mrs. E. cracham, of Rose street where his sister, Miss Mayme Buell, makes her home. Interment was made in Hope cemetery.

Eloquent Words Made a Lasting Impression

It is generally conceded by those who attended the final banquet in the great $50,000 hospital campaign Tuesday evening of last week that the most noteworthy address, considered from the standpoint of its simple eloquence, thought expressed and beautiful tribute to the man who was among the very first in Salem to inaugurate the hospital movement was that delivered by Dr. F. T. Miles, who was called upon without warning and responded extemporaneously. The address occasioned so much favorable comment and so many who were not present have expresed a desire to see it in print that a member of the boars of trustees has asked The News to reproduce it. Although fully aware that this action does not meet with the personal approval of Dr. Miles, who has protested that his brief remarks were worthy of no especial notice, The News believes it is fully justified in giving space to the following portion of the doctor's speech which followed his introductory remarks:

"Mr. Mullins has congratulated all of you and the citizens of Salem generally who with their good friends in other towns have, through your efforts, contributed this magnificient sum, an amount in excess probably of that believed to be possible by the most sanguine supporter of this movement. It is Salem's most wonderful achievement of years, and like many other events of which the citizens of this town have reason to be proud, it becomes a part of her history. Nor does it depend upon the fleeting mind of man to endure. This hospital will stand as a monument to your energy, your patriotism, and your love for your fellowman for generations.

"But lest we forget, ladies and gentlemen, while we are prostrating ourselves before new goddesses, and flushed with this new victory, let us kindly remember and give due credit to the man who made the birth of this project a reality; whose sudden and untimely end threw this entire community into mourning; who rests tonight in yon city of the dead—a man among men, a prince of good fellows, a peer among his colleagues ,a friend tried and true, a physician, Dr. James Anderson."

East Liverpool Belle Elopes With Chauffeur

East Liverpool, June 15.—Society is stirred over the elopement of Miss Helen Peach, a daughter of Mr. and Mrs. Harry Peach, the well known porcelaine manufacturer, of this city, and William Costello, a chauffeur in the employ of S. C. Dyke. Miss Peach was visiting her grandparents, Mr. and Mrs. David Barnett, in Columbiana, and on Tuesday Costello drove to Columbiana and took her to Youngstown where they secured a license after giving her residence as Louisville and his as East Liverpool and were married Tuesday evening by Squire M. D. Welch.

Mr. and Mrs. Costello have returned to this city where she is at the home of her parents and all the family refuse to be interviewed. Mr. Peach, the bride's father, is in the east on business. The Peach family is one of the oldest in this city and occupy a high place socially while the daughter's husband is not known to have such connections.

Interior of Church Decorated For Commencement Exercises Tonight

Several members of the junior class of the high school, composing a decorating committee, put in Wednesday afternoon decorating the auditorium and Sunday school room, of the Methodist Episcopal church, where commencement exercises the class of 1911 will be held Thursday evening, at 8 o'clock, when Prof. F. B. Pearson, of Ohio State university, Columbus, will deliver the class address. The decorators arranged the color scheme of green and gold, colors of the graduating class, and the junior class colors, red and gold, in a most attractive manner. The rostrum is neatly draped in green and gold and the large class pin, of green with the large gilded figures '11, adorns the organ and will be seen imediately above the members of the graduating class. The green and gold color scheme is also carried out in the Sunday school room, the railing around the balcony being trimmed with these colors, while the balcony of the auditorium is appropriately arranged with the red and gold colorings.

Albert Hayes, who has had charge of the ticket sale stated Thursday morning that had he another hundred tickets to sell, but he would not be able to meet the demand for seats. Only one or two tickets were left Thursday at noon and they were soon gobbled.

DECIDE TO ERECT A FIRE PROOF HALL

Lisbon, June 15.— The West Point grange have formally adopted plans for a two-story fire proof building to be erected on grounds recently purchased by the grange for the purpose of using the same for a grange hall. The outside of the building will be brick while the floors, stairways, and interior will be of reinforced concrete. A meeting will be held tomorrow night at which time the plans will be gone over and the grange will be ready to act on several bids from contractors for the erection of the building.

EAGLES IN SPECIAL CAR WENT TO AKRON

Portpdive Salemites took the Eagles' special car on the Stark Electric line Thursday morning at 6:15 to Akron to view the big parade and the local aerie took the Quaker City land along to head their delegation. In the afternoon they expected to see Glenn Curtiss in his hydro aeroplane flight, if weather conditions were favorable, at the close of the Ohio Eagles convention which has been in session there since June 12.

AGENCY FOR THE EVERETT AUTO ESTABLISHED HERE

T. A. Vernon, of this city, has accepted the position of district agent for the Everett car, manufactured in Detroit by the Metzger Motor Car company. Mr. Vernon and D. B. McCune went to Detroit to get two cars, one a sample car for Mr. Vernon and the other of which Mr. McCune purchased for himself. They came to Cleveland on a boat and drove their cars home from Cleveland Wednesday afternoon.

BOOM STARTED FOR SULLIVAN

EAST LIVERPOOL MAN FOR SECRETARY OF STATE.

WITHOUT HIS CONSENT

Party Leaders at Columbus, Declaring Mooney is Eliminated as a Possibility Say John L. Sullivan is a Good Man to Unite Upon.

Columbus, June 15.—Prominent Republicans at the state capital declare that Granville W. Mooney, former speaker of the Ohio house of representatives, now holding the job as custodian of the senate book room at Washington, has eliminated himself as a prospective candidate for the Republican nomination for secretary of state, by his action at this time in drawing mileage for $672 for the sessions of 1908 and 1909, when the members voted themselves mileage at the rate of 12 cents per mile, when they were only obliged to pay the railroads two cents a mile.

It will be recalled that a big howl went up over the state over this mileage grab, and as a result some members were a little bit wary about cashing their vouchers for this easy money. Mooney was one of those who held up his voucher and in thus doing, escaped the criticism that was directed at those who took the mileage. When his warrant for this money came into the state treasury yesterday, great surprise was occasioned. Mooney's friends, who have been counting on seeing him nominated as secretary of state, shook their heads and said they doubted now whether he would ever have a chance at the nomination.

Secretary of State Graves, who defeated Mooney last fall, said that Mooney had furnished the Democrats with some good ammunition they could use against him in case he should be the candidate.

Believing Mooney will not be available, state capital Republican leaders are speculating on the man for secretary of state, and some of them mentioned John L. Sullivan, former state printer, who gave Mooney a strong run for the nomination and was prevented from winning because the bosses were against him, as a good man to unite upon for the nomination. Sullivan made good in the office of state printer and is widely and favorably known all over the state. He is a newspaper man and now edits the East Liverpool Review. He is a former grand master of the Odd Fellows of Ohio, and has made addresses in practically every city of any note in the state. Without his knowledge or consent, friends today started a boom for him in Columbus for the Republican nomination for secretary of state next year.

Program Ready For Reunion Of Salem Alumni

Arrangements are complete for the twenty-ninth annual reunion of the alumni of the Salem high school to be held in the Calumet club rooms Friday evening at 6:30 o'clock. The business meeting will also be held at the same place at 1:30 o'clock and all members are urged to attend, including those of the class of 1911.

The following program will be given after supper, which will be served for 200 members and friends of alumni by the Ladies' Aid society of the Presbyterian church: Invocation, Rev. E. E. Whittaker; toastmaster's address, Emmet C. Baxter, '71; response from the class of 1911, Clyde Heas; Auld Lang Syne, by alumni; toast, "Impressions of Other Lands," Miss Olga Solberg, '99; vocal solo, Miss Bernice Platt, '06; toast, "Salem in the Colleges," Frederic Hole, '06; solo, Miss Helen Murphy, '11; toast, "Our Flag," Mrs. William C. Boyle; vocal solo, Miss Grace Orr; "America," by alumni.

The Presbyterian ladies announced Thursday afternoon that there are still a number of tickets unsold. The 200 placed on sale at first are all gone, but the society finds that it can serve more than that number.

Mrs. Wise Honored.

Mrs. E. P. Wise, of East Liverpool, was honored by her health culture class at the home of Mrs. W. E. Linn, of McKinley avenue, Wednesday evening. The class served refreshments and enjoyed a social evening before disbanding.

JOHN E. ROGERS, Notary Public.

Governor Aldrich, of Nebraska, in an address before the graduating class of the Ohio State university, declared that the United States senate is the most distrusted body of the world's lawmakers. That has been true in the recent past, we conceed, but we believe a change for the better is taking place. The action of the senate this week in approving finally the proposition of the popular election of senators indicates that the nation's highest law making body is heeding the voice of the people. This change has been demanded by many state legislatures and by various political platforms but not all the opposition to it has arisen from selfish interests. A considerable number of American people have felt that our forefathers were right in devising a system of checks and balances in government and have been loath to see this system altered in any manner. But conditions have changed since the days of the Declaration of Independence and now the whole people seem able to make a better job of selecting senators than a small group of state legislators, particularly in view of the fact that often comparatively little care is exercised in selecting these legislators.

Will parcels post actually become a fact within the next two years? Many believe that it will and that the recognition which has finally been forced out of congress indicates that that lawmaking body can no longer ignore the demand which has been accumulating in force for a decade. The other day someone noticed a placard in the local postoffice announcing that parcels of merchandise might be sent by post to several foreign countries for 12 cents per pound, while the same parcels sent to some point in this country would require 16 cents per pound postage. "Why, that's unreasonable!" was the remark. Of course it is. Nobody is so dumb as to deny that proposition. And that very unreasonableness is beginning to "soak in."

Youngstown has set to work to trim her expenditures to fit her revenues under the new one per cent taxation limit law. The salaries of the mayor and all other city officers and employes were cut, a total of $167,544.83 having been lopped off the budget for next year. That's one way of getting along under the new regime although the method may not especially commend itself to those who are likely to be directly affected.

A reader some time ago asked us to suggest to Judge Farr of the juvenile court and to mayors and justices that certain offenders be sentenced to attend church. As we have never been quite able to decide clearly whether he consudered such sentence a compliment to the preacher or a punishment to the offender we have taken no chances on pressing the suggestion.

Owing to the 1910 census enumeration it is necessary in a number of counties and cities of this state to redistrict for elections, so that not to exceed 400 voters are included in each voting precinct. As Canfield made a gain of only 13 persons during the past decade that village will not cause the Mahoning county election supervisors any great amount of trouble.

When an audience in a New Jersey church that had been struck by lightning began singing "The Star Spangled Banner" a panic was averted. The strains of that stirring old war hymn have on other occasions caused panics, however.

About the time Col. Bryan begins to talk learnedly about the economic value of free wool, some unfeeling reactionary Democrat bobs up and asks the colonel to explain a little more in detail about the economic value of 16 to 1.

WHAT THE NEWS READERS READ 20 YEARS AGO TODAY

(Issue of June 15, 1891)

George Bossinger has gone to Kent, his former home, to attend commencement exercises of the high school of that place.

James Atchison and family went to Signal today where they will spend a few weeks on Mr. Atchison's farm.

Mrs. William Crumine and daughter are visiting Mrs. Crumine's mother in Alliance for a few days.

Mrs. Mary Tolerton sold today a tract of about 11 acres of land on the west side of North Union street to R. E. Bullard and J. T. Brooks, Mr. Bullard secured 9 1-3 acres and Mr. Brooks 2¼ acres.

Dr. Jesse Sturgeon and four other Leetonia wheelmen passed through the city yesterday morning enroute to Alliance, and returned about 6 o'clock in the evening, homeward bound. They would cover 42 miles in the round trip.

The Salem Gun club received word this morning that the Alliance Gun club has accepted their challenge for a match shoot on next Thursday. The contest will be held at Alliance, and the Salem club will leave for that place on train No. 21.

Marshall Johnson has in his possession a stray horse, captured upon the street yesterday. The animal is a bright bay, about five years old, and has a wart upon its neck. The owner can recover the horse by proving property and paying the charges.

Several persons in the city gifted with considerable musical talent, are considering the matter of producing the popular cantata, "Queen Esther," sometime in the near future. It is probable that some of the proceeds will be donated to a church or some charitable institution.

Robert Auld, of New Albany, was overcome by the heat while fixing the wheel of one of his wagons which had broken down on Lincoln avenue this afternoon. It was sometime before he recovered sufficiently to walk up town for proper treatment.

The thermometer registered 95 degrees in the shade, at the residence of George Street, of Lincoln avenue, from 10 o'clock yesterday morning until 3 o'clock in the afternoon.

TAKE STEP TO FREE WHEELING OF YOKE

Cleveland, June 15.—At a meeting held in Cleveland yesterday the first important step was taken toward freeing the Wheeling & Lake Erie railroad from receivership. The entire board of directors was reorganized, the Gould family was eliminated and matters were so shaped that the Wheeling & Lake Erie will have a new lease of life.

When the revamping plans now about are completed, the railroad will be completely rehabilitated, more than $1,000,000 will be spent double tracking the main line from the Ohio river north to Toledo, other track and equipment will be renewed, new stations will be built and the entire system will be brought up to modern railroad standards.

The meeting, attended by the road's stockholders, was held in the offices in the Perry-Payne building. When the count of votes for directors was taken it was found that Kingdom Gould, son of George J. Gould, railroad magnate, and Edwin Gould, brother of George Gould, had not been reelected. Among those who had been chosen to the directorate, however, were members of the various committees representing the warring bondholders of the road and this points to an early reorganization of the system.

The elimination of the Goulds means, among other things, that the Wheeling will be revamped independently of the Wabash railroad, one of the Gould lines. It does not mean, necessarily, that the Wheeling has broken away from the Wabash, or that if at any time in the future the Missouri Pacific system, the Wabash and others should be combined in a transcontinental line, that the Wheeling would not participate.

HINTS GIRL VICTIM OF UNHAPPY LOVE

Delaware, June 15.—Hints at an unhappy love affair, creating a possible motive for her insinuated theory that pretty Merle Henkle may have administered arsenical poison to her self, through grief, yesterday featured the first statement made by Mrs. Jessie Way Henkle, charged with poisoning her stepdaughter.

Beyond these vague and indefinite insinuations Mrs. Henkle in her statement is unable to explain why Merle would desire to die so badly that she would seek her life by the slow poison route. Nevertheless, she is firm in her belief that an unhappy love affair enters into the case. Making no direct charges, Mrs. Henkle is serene in her confidence that the "true story will come out at the proper time and in the proper place."

LEGAL NOTICE.

Sale of Municipal Bonds.

Sealed proposals will be received at the office of the Clerk of the village of Leetonia, Ohio, until 12 o'clock, noon, on the 19th day of July, 1911, for the purchase of the bonds of said village as follows:

First lot: Bonds in the aggregate sum of Fourteen Thousand Three Hundred and Sixty ($14,360) Dollars each, in ten bonds of Fourteen Hundred and Thirty-six ($1,436) Dollars each, dated as of July 19, 1911, the first bond becoming due July 19, 1912, and thereafter one bond becoming due each year from July 19, 1912, and all bearing interest at five (5) per cent per annum from date, payable semi-annually. Issued for the purpose of providing a fund for the payment of the portion of the cost and expense for which a special assessment is levied on the abutting property for the improvement of Main street from the west side of Walnut street to a point 160 feet west of the west line of Washington street, by paving and curbing, under authority of the laws of the State of Ohio, and of ordinance No. 381, passed May 24, 1911, and entitled, "An ordinance to levy special assessment for the improvement of Main street from the west side of Walnut street to a point 160 feet west of the west line of Washington street, by paving and curbing."

Second lot: Bonds in the aggregate sum of Eighteen Hundred and Fifty-five ($1,855) Dollars in ten bonds of one Hundred and Eighty-five and 50-100 ($1,855) Dollars each dated as of July 19, 1911, the first bond becoming due July 19, 1912, and thereafter one bond becoming due each year from July 19, 1912, and all bearing interest at five (5) per cent per annum from date, payable semi-annually. Issued for the purpose of providing a fund for the payment of the portion of the cost and expense for which a special assessment is levied on the abutting property for the improvement of Chestnut street from the south line of Main street to the north end of the bridge south of Columbia street, by paving and curbing, under authority of the laws of the State of Ohio, and of ordinance No. 382, passed May 24, 1911, and entitled, "An ordinance to levy special assessment for the improvement of Chestnut street from the south line of Main street to the north end of the bridge south of Columbia street, by paving and curbing."

Third lot: Bonds in the aggregate sum of Five Thousand ($5,000) Dollars in ten bonds of Five Hundred ($500) Dollars each, dated as of July 19, 1911, the first bond becoming due July 19, 1912, and thereafter one bond becoming due each year from July 19, 1912, and all bearing interest at five (5) per cent per annum from date, payable semi-annually. Issued for the purpose of paying the remainder of the cost and especially assessed for the improvement of part of Main street and part of Chestnut street, by paving and curbing, under authority of the laws of the State of Ohio, and of ordinance No. 382, passed May 24, 1911, entitled, "An ordinance to issue bonds for paying the remainder of the cost not especially assessed for the improvement of part of Main street and part of Chestnut street, by paving and curbing."

Said bonds shall be sold to the highest and best bidder for not less than par and accrued interest and each lot shall be bid on separately.

All bids must state the number of bonds bid for, accrued and the gross amount of the bids and interest to date of delivery, and all bids shall be accompanied by a certified check payable to the treasurer of the village for five (5) per cent of the amount of the bonds bid for and upon condition that if the bid is accepted the bidder will receive and pay for such bonds as may be issued as above set forth within ten days of the time award. Said check to be retained by the village if said condition is not fulfilled. The village reserves the right to reject any and all bids and to reduce the amount of the same.

ORDINANCE No. 110,606.

To Provide for the Issue of Bonds of the City of Salem, State of Ohio, in the Sum of $17,470.00, for the Purpose of Extending the Time of Payment of Certain Outstanding Indebtedness, Which From its Limits of Taxation, the Said City is Unable to Pay at Maturity.

Be it ordained by the Council of the City of Salem, State of Ohio:

Section 1—That certain outstanding indebtedness heretofore legally incurred by the City of Salem, Ohio, to the amount of Seventeen Thousand Four Hundred and Seventy ($17,470.00) Dollars is hereby declared and determined to be an existing, valid and binding obligation of the said City.

Section 2—To provide the means to extend the time of payment of said outstanding indebtedness, which from its limits of taxation said City of Salem is unable to pay at the maturity, it is hereby deemed necessary to issue and there shall be issued the bonds of the City of Salem, State of Ohio, the aggregate amount of Seventeen Thousand Four Hundred and Seventy ($17,470.00) Dollars, which said bonds shall be dated the 1st day of August, 1911, shall be in the denomination of Five Hundred Dollars each, except bond number one, which shall be for the sum of Four Hundred and Seventy Dollars, shall be numbered consecutively from one to thirty-five inclusive, all made payable at the office of the City Treasury of the City of Salem, State of Ohio, and all bearing interest at the rate of four and one-half (4½) per cent. per annum, payable semi-annually at the same place, and said bonds shall run for a period of nine years and eight months from their date.

Section 3—Said bonds shall express upon their face the purpose for which they were issued and that they were issued in pursuance of this ordinance. They shall be prepared, issued and delivered under the direction of the ordinance committee of Council and the City Auditor and shall be signed by the Mayor, countersigned by the City Auditor and sealed with the corporate seal of said city, and the interest coupon attached to said bonds shall be executed by the City Auditor with his signature thereto or he shall have his signature printed or lithographed thereon.

Section 4—Said bonds shall first be offered at par and accrued interest to the trustees of the sinking fund in their official capacity and if the sinking fund trustees refuse to take any or all said bonds at par and interest, then said bonds not so taken shall be advertised for public sale and sold in the manner provided by law, but not for less than their par value and accrued interest. The proceeds from the sale of said bonds, except the premium and accrued interest thereon, shall be used for the purpose of paying the indebtedness aforesaid, and for no other purpose, and the premium and accrued interest received from such sale shall be transferred to the trustees of the sinking fund to be applied by them in the manner provided by law.

This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed June 6, 1911.

STYLISH SOCKS How to Get Them

STYLE means a lot more than merely nice appearance only when new stylish socks, not only look well when new, but—they are also comfortable—and durable, so they continue to look well.

Looks, comfort and durability—all are necessary to true style in socks.

And all—looks, comfort and durability are found in Shawknit socks.

Style, color, fit and fineness, are found in Shawknit socks, because they are knit from selected yarns—by a process shaping the socks to the natural lines of your feet—and these socks are dyed with lasting and permanent dyes.

The fine, flexible, long fibre yarns used in Shawknit socks—and the process by which these yarns are knit—insure comfort.

Toughness in the yarns—the Shawknit process of knitting—and experienced knitters—enable us to guarantee long wearing durability in Shawknit socks.

Please don't take what we say for granted, however. Come here for Shawknit socks. Take them home and wear them. Wear them again and again. Wear them as many times as you think socks should be worn. And if you are not perfectly satisfied—if you can honestly say you haven't had the full value of your money in sockwear—bring us the socks, with the tag you find on each and every pair of Shawknit, and we will promptly replace the socks FREE of all expense to you. We take your "say so."

SHAWKNIT SOCKS Are Guaranteed Without a Limit

We have all standard sizes in two weights—medium and extra light.

Colors are—black, navy blue, cadet blue, tan, royal purple, gun metal grey, ox blood red and every pair of Shawknit socks are guaranteed without a limit.

If Shawknit socks do not prove all you could wish, we replace them with new.

Reopening of M. E. Church.

The M. E. church at East Rochester has been newly decorated, a new gasoline lighting plant installed, new hitching posts have been fixed, and the church reopening will take place Friday, June 16. There will be an all-day program, as follows:

At 7 o'clock, sunrise prayer meeting, led by Rev. George A. Roseburg; 10:30, sermon by Rev. W. B. Winters, D. D., of Alliance; 2:30, sermon by Rev. E. H. Roberts, of Minerva; 7:30, address by Rev. W. F. Wykoff, D. D., Dr. Winters and others.

Special music will be rendered by the choir.

At 12 o'clock, noon, a picnic basket dinner will be held, outside the church on the lawn.

Children's services, Sunday, June 18—Kensington at 2:30, East Rochester at 7:30.

In Far Off Japan Pageant.

Robert Grimmesey, of Penn street, recently received a letter from his son Louis J. Grimmesey, of Yokohama Japan, in which was enclosed a program of an entertainment, "Children's Variety Entertainment," which occurred in that city Saturday, April 29. The program was of an elaborate pageant in which many of the American children took leading parts, among them being the three children, Agnes, Oris and Albert, of Louis J. Grimmesey, formerly of this city. Among the many songs, tableaux and choruses, Miss Agnes Grimmesey is mentioned as one of the principle performers, especially in the dances.

A feature of this unique entertainment is that all those who performed were under the age of ten.

Ladies Asked to Participate.

Ladies of the Maccabees have been invited to assist the knights in observing memorial day for deceased knights and ladies on next Sunday afternoon. The services will be held at 1:30, when ritualistic exercises will be held at Hope cemetery. The graves will be decorated, after which the body will return to Maccabee hall, where concluding services will be held.

The Lady Maccabees have received an invitation to go to East Liverpool at some future date to be guests of Goldenrod hive. This invitation will be acted on at the next meeting and it is probable that the local ladies will accept and make the trip in about two weeks.

—o—

Wooster Graduates.

At the commencement exercises at Wooster university, Wooster, Thursday, Miss Mabel Alice Galbreath, of Lisbon, and Miss Margaret Brown Moore, of East Liverpool, received the degree of bachelor of philosophy. Claire Crowl, of New Waterford, was a graduate in music.

President William Henry McMaster of Mt. Union college, received the honorary degree of doctor of divinity at Ohio Wesleyan university, Delaware, Wednesday.

Miss Beck Surprised.

Miss Ethel Beck, of Ohio avenue, was surprised Thursday evening, in honor of her birthday, by members of her fancywork club. At a delightful 6 o'clock dinner small silk flags were used as favors when covers were laid for 18. The guest of honor was presented with four beautiful silver spoons. Following the dinner the company enjoyed vocal and instrumental music.

Farewell for Teacher.

The girls of third year Latin class of the Salem high school entertained the high school teachers Wednesday evening at the home of Miss Jessie Lentz in honor of Miss Canfield, who will not return for the next school year. She was presented with two silver spoons by the class, Elizabeth Wirsching giving the presentation speech in Latin. The evening was spent in games and a general good time. A dainty lunch was served.

—o—

Auto Club to Make Run.

Dr. and Mrs. H. W. Thompson, of Garfield avenue, have received an invitation from the Wilkinsburg (Pa.) Automobile club, which will make a run to Wellsburg Saturday from their headquarters in Wilkinsburg, to join in with the large string of autos and make the run. The club, upon arriving at Wellsburg, will be the honored guests of W. M. Brinker at his large country home overlooking the beautiful Ohio, from the time of their arrival until late Sunday afternoon, when the return trip will be made. Special preparations have been made by Mr. Brinker for this occasion and his beautiful home will be thrown open to the guests, probably 200 in number.

Dr. and Mrs. H. W. Thompson, who are honorary members of this well known club, will probably join in the long run down the Ohio.

—o—

Enjoyable Hop.

Thirty-six couples attended the dance given Wednesday evening in Colonel hall under the auspices of the high school students. The young people, the majority of them being high school students and college folk, mingled in a happy throng and danced from 8 o'clock until 12 o'clock. None of the dances were enjoyed so thoroughly as the drum two-step, which, although not listed on the program, was played by special request, thus bringing the evening's gliding to a close in a whirlwind. Glison & Brickner's six-piece orchestra played for the occasion.

Among the out-of-town guests were: Miss Lois Davis, of Alliance; Miss Helen Royer, of Leetonia and Miss Sullivan, of Crestline.

DEATHS AND FUNERALS

REV. T. N. BOYLE

(Continued From First Page.)

the same year he joined the Knights Templar. In 1868 he became a member of McCandless lodge of Zerrubbabel chapter of Ascalon commandery. He was elected grand prelate of the Grand commandry of Knights Templar 15 years ago and had been re-elected yearly since. This office he had held longer than any other officer in the order.

Dr. Boyle was a member of James A. Garfield post 215, G. A. R., and was chaplain of the Grand Army association of Allegheny county. He was also vice president of the Saturday and Sabbath Hospital association and one of the board of managers of the West End hospital.

Dr. Boyle is survived by his widow and one daughter, Mrs. M. J. Eaken, at home. A son, Frank Boyle, died several years ago. A brother, Rev. B. F. Boyle, of Atchison, Kan., and two sisters, Miss Hannah Boyle and Mrs. J. M. Briggs, both of Anita, Iowa, also survive.

—

Rev. T. N. Boyle was well known in Salem and had a host of warm friends here, having been pastor of the M. E. church for two years. He returned to Salem a few months ago to participate in the dedication of the new M. E. church and at that time made some of the most impressive pleas for funds to pay off the indebtedness incurred in building the edifice.

S. P. Borden.

S. P. Bordon, father of Frank G. Borden, president of the National Sanitary Manufacturing company of this city, died Tuesday afternoon at the Massillon hospital following an operation. He was 76 years old.

Mr. Borden superintended the construction of the Sanitary Manufacturing plant in this city and became well acquainted with many here. Several relatives reside here. Besides the son in Salem, he is survived by a son, William, of Cleveland, and a daughter, Mrs. Mong, of Massillon, at whose home the funeral was held Thursday. F. G. Borden was at his father's bedside when the end came.

REILLEY WILL CASE IS GROWING MONOTONOUS

Lisbon, June 15.—The hearing of the Reilley case before Referee N. B. Billingsley was resumed again this morning in court room No. 1. Although all unnecessary delays have been carefully eliminated yet the testimony of the original plaintiff to this action, Miss Jane McVeigh, of London, Eng., was not completed and the morning session was required to finish the presentation of the testimony that is submitted in her behalf.

Most of this testimony is in the form of depositions some of which are read and others submitted without reading.

The taking of the testimony throughout the hearing will be in the above form except in the case of some of the new claimants.

Locally the case is attracting but little attention, visitors to the court house giving the court room where the hearing is on a wide berth. Outside the attorneys in the case and newspaper men there are very few persons who listen very long to the monotonous reading of depositions.

RESTRAINS NEIGHBOR FROM CROSSING LAND

Lisbon, June 15.—L. D. Cope, a prominent Center township farmer, secured a temporary injunction against Thomas F. Starkey, a neighbor, last evening in common pleas court to prevent the latter from crosing his land or trespassing on the same until a suit which was entered at the same time could be setteld.

Cope in the petition for the suit against Starkey alleges that the defendant for the past three years has been crossing his land on his way to and from his farm with wagons, live stock and on foot. To accomplish this he has it is alleged broken down gates and fences, and has done considerable damage in exposing the crops of the plaintiff to wandering stock. Plaintiff also alleges that the defendant has built a fence on his land and is now occupying and using a strip two rods wide and 30 rods long. He asks that the defendant be forever barred from crossing his land or using the same as a thoroughfare and that the plaintiff's title in this land be quited.

Cope is the owner of two tracts of land west of this city, one of 40, and the other of 148 acres.

Damage Case in Jury's Hands.

Lisbon, June 15.—The trial of the case of J. T. Myers, of Salem, vs the village of Leetonia was completed this morning shortly before noon adjournment with the charge given the jury by Judge Moore. The jury immediately retired and after taking one ballot adjourned to take dinner and resumed deliberations later. Testimony in this case was completed yesterday evening and this morning the argument of counsel was had.

COURT WILL FIND WORK FOR JESSE JOHNSON

Lisbon, June 15.—James Blazer, of Salineville, charged with contributing to the delinquency of his children, drew a three-months' sentence to the workhouse, on a plea of guilty and was allowed to go on his promise to remain sober and keep at work. The sentence was suspended.

Jesse Johnson, of Salem, arrested on a similar charge as that against Blazer received a similar sentence. The court has not made an order in his case as yet. An effort is being made to secuge work for the man in the Salem plant of the American Steel & Wire Co. Johnson is a skilled nail worker and providing he secures a job and remains steadily at work he will be permitted to return home and the sentence against him will be suspended.

The men had been in jail some time awaiting the disposal of their cases and the opportunity to arrange for the payment of their fines.

FINE $3,000 APPLE CROP ALMOST RUINED BY HAIL

Lisbon, June 15.—Judson Whitacre, of Fairfield township, owner of a large apple orchard, states that the hail storm last Monday practically ruined his crop of apples for this year, which was estimated to be worth about $3,000. Apples taken from the orchard and brought to Lisbon this morning show plainly the imprint of the hailstone and some were broken in pieces by the force of the storm. Several fields of oats near the Whitacre farm were also ruined and after the storm had ceased the ground was covered to the depth of several inches with hail stones. This particular storm was confined to a territory about half a mile in width and three miles long.

Rain Interrupts Work.

Havana, June 15.—Heavy rain has considerably embarrassed the engineers in charge of the work of pumping at the wreck of the battleship Maine, but the water is beng kept at the level of five feet below the outside level.

Major Ferguson is preparing to pump out five feet more, rain or shine. The coffer dam is holding perfectly.

Home-Made Philosophy.

Utica Globe.

If the government would try to save the shipwrecked lives of the country he would have the largest navy in the world.

The land of sorrow is not yet so barren that hope cannot grow there and take deep root in the sands of irrigated despair.

When young people return from the college and feel too good to associate with old companions, their education has no bottom.

It takes a long time to buil dup an independent newspaper. A search of the whole country to find the few independent readers.

We need someone to have faith in us, to appreciate and love us. See the strange dog in a strange land and picture the unappreciated human being.

Our mental atmosphere is as vital as the air we breathe. Superstition, ignorance and idolatry are more noxious than the black damp of the subtarraneous caves.

The world must be lit up with the ray of reason, with the glow of hope, with the warmth of love, with the fire of ambition. Without these the human race would perish.

Cogitations.

Champaign one day generally means real pain the next.

Some people never succeed in getting solid till they come to the grave.

The only man who never makes a fool of himself is the one whom nature saved the trouble.

The man who is wise enough to take advise seldom finds any one wise enough to give it to him.

We do ofteh get something for nothing in this world—usually, however, something we're not looking for.

Words come to the man who has something to say; it is the one who is trying to talk without saying anything, who loses the thread of his discourse.

Great Order Will Picnic.

The Junior Order of United American Mechanics hold their annual picnic at Rock Springs park, Saturday, June 17 and over 5000 people always attend this outing. The Junior Order of Allegheny give this excursion for the benefit of the Orphans' home at Findlay, O., and this worthy cause has always received the very warmest support of all the organizations in this district.

No better place could have been selected to hold their picnic than Rock Springs park, for this beautiful resort has ample accommodations for thousands of people, and amusements of all kinds with which to entertain them.

MUST RAISE HIS HOUSE: DAMAGES ARE ASKED

Lisbon, June 15.—Alleging that the Pennsylvania railroad company has entered upon his property, and has occupied a part of the same for the abutments of an overhead railroad crossing, Harry Welce, of East Palestine, has entered suit to recover damages in the sum of $500. The plaintiff alleges that he is the owner of lot No. 414 in the village of East Palestine, and that the defendant in erecting this overhead railroad crossing entered upon his property and without his consent erected the abutments for the bridge. In making a hill for an approach for this bridge the defendant has also deposited a large quantity of earth that requires plaintiff to raise his house to the level of this hill.

A LARGE CONTRACT.

What Flodings Want Every Person in Salem to Do.

When Floding's the enterprising druggist, first offered a 50 cent package of Dr. Howard's specific for the cure of constipation and dyspepsia at half price, and guaranteed to return the money if it did not cure, he thought it probable from his experience with other medicines for these diseases, that other medicines for these diseases, that he would have a good many pakages returned. But although he has sold hundreds of bottles, not one has been brought back.

To those suffering with dizziness, headache, poor digestion, constipation and straining, Dr. Howard's specific offers quick relief. It is an invaluable boon to all who feel uncomfortable after eating, and is today the popular dinner pill in all the large cities.

WISE RATS HELP POISON SEBRING MAN'S POULTRY

Sebring, June 15.—A Sebring man was botherd with rats. The rats did everything that was mentioned by Robert Browning in his famous poem of rats in Hamlin. But Sebring had Piper to pipe the rats away and so he resorted to "rough on rats." They had stolen his chicks and eaten of them, so he placed the poison near the hennery as a meal for the rodents. Rats are sagacous and have the credit of being wary. The poison was placed and the rats carried the mixture of "rough on rats" as a spread for bread into the chicken house and the chicks fed upon it and the major part of them died from the effect of rat poison, while the rats survive in good health.

A New Gas Well.

Lisbon, June 15.—The Natural Gas Co. of W. Va., who has been operating in territory west of this city, near Lucerne, drilled in a well on the Jonas Charleton farm this morning, starting a strong flow of gas. The new well will be used to supply Salem and Sebring consumers.

Freckles Gone

"Simple Remedy From Floding's Pharmacy Removed Them," Says Society Lady.

"The best skin specialists told me that nothing would remove my freckles and that I would carry them to my grave," said a well known society woman, "but I fooled them all with a new drug, othine—double strength, that I bought at Floding's Pharmacy which cleared my skin and gave me a fine complexion."

The action of othine is really remarkable, for when applied at night, many of the freckles disappear entirely by morning, and the rest have begun to fade. An ounce is usually all that is needed, even for the worst case.

Be sure to ask Floding's Pharmacy for the double strength othine, as this is sold under a guarantee of money back if it fails to remove the freckles.

LOCAL GROCER BREAKS RECORD ON STRAWBERRIES

H. H. Taylor, groceryman, has beaten all previous records for strawberry sales. Since the opening of the strawberry canning season some 10 days ago Mr. Taylor has handled something over 200 bushels of berries. This certainly speaks well for this one commodity, but it is not only on strawberries alone that, this store is having such marked success. In all other lines of the business this store is rapidly gaining ground. Mr. Taylor keeps a remarkably clean show room, handles the freshest of groceries and serves customers courteously and promptly, which features add prestige to his place of business.

COLUMBIANA CONVICTS BEHAVING VERY WELL

East Liverpool, June 15.—"The behavior of the Columbiana county prisoners in the Ohio penitentiary is good. Ira Marlatt, your oldest inmate, who is serving a life sentence for murder, is a model prisoner, whereas in former years he was called the prison demon. He conducts himself splendidly and now holds a position as runner in the court house of the penitentiary. They made a bad actor out of him."

Summing up the behavior of Columbiana county men in the state penal institution, among whom are three serving sentences for murder, Rev. Frank Richards, of Columbus, chaplain of the penitentiary, this morning at city hall paid the above compliment to the prisoners from this county.

The invitations to 200 guests to the golden wedding of a Moscow mining magnate were engraved on beaten gold and cost $5,000.

LOCATES MOTHER AFTER FORTY YEARS

Columbiana, June 15. — Harold Bobail, who lives here and works for the Pennsylvania railroad company, has just located his mother and two sisters whom he has not seen or heard from for 40 years. They are living in Traverse City, Mich., and Mr. Bobail is going to visit them. When he was quite a young boy the family was broken up and the son was put in a hospital. Until recently they had not heard of each other.

Rev. C. D. Fischer, pastor of the local Lutheran church, and his family are taking their annual varation. This week they are in Columbus attending the reunion of the class of 1901 of the Capitol university, the class with which Rev. Mr. Fischer graduated. From there they go to Circleville to spend a time with relatives and friends.

Edwin Koch, son of Mr. and Mrs. Henry Koch of this place, who has been an instructor and student the past year in the University of Missouri recently received the decree of master of arts from that institution and he is now an A. B. and an A. M.

Thursday evening the first and second nines of this place will play a game of ball at East Side park. On Saturday afternoon the strong East Palestine club will be here for a game with the locals.

The two-year-old son of Mr. and Mrs. John Miller, living east of town, met with a painful accident Tuesday morning. While at play the little fellow fell striking his head on the wainscoting cutting a gash over his eye which required five stitches to close.

ANSWERS IT HONESTLY.

Are the Statements of Salem Citizens Not More Reliable Than Those of Utter Strangers?

This is a vital question.

It is fraught with interest to Salem.

It permits of only one answer.

It cannot be evaded or ignored.

A Salem citizen speaks here.

Speaks for the welfare of Salem.

A citizen's statement is reliable.

An utter stranger's doubtful.

Home proof is the best proof.

T. P. Smith, 65 E. Sixth St., Salem, Ohio, says: "About a year ago my kidneys began to bother me and the secretions were scanty. My back also gave me a great deal of trouble and sharp pains darted through me when I stooped. About a month ago I procured Doan's Kidney Pills from Bolger & French's Drug Store, and since using them, I have steadily improved. I take great pleasure in recommending this remedy to my neighbors."

Buchtel Increases Trustees.

Akron, June 15.—The board of trustees of Buchtel college in annual session here increased the membership of the board from 18 to 24. These officers were elected: President, A. B. Church; vice president, George W. Crouse; secretary-treasurer, C. R. Olin.

"What a Relief!"

Only the woman who has tried knows what comfort and relief a New Perfection Oil Cook-stove brings into the kitchen.

It is not only that the New Perfection cooks so well. It saves so much work in other ways. There are no ashes to clean up before going to bed; no fire to bank for the night. Everything is ready for cooking in the morning at a touch of a match.

You are saved from an overheated kitchen; saved from soot and dirt; saved from chopping wood and carrying coal. In the kitchen or the laundry, for the lightest or the most elaborate meal, you will find the New Perfection stove with the New Perfection oven is the best and most convenient.

Made with 1, 2 and 3 burners, with long, tapering blue enameled chimneys. Handsomely finished throughout. The 2- and 3-burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc.

GIVES INITIATIVE AND REFERENDUM TO CITIES

Columbus, June 15.— One of the bills which become a law yesterday was the Crosser measure providing the initiative and referendum for cities. Under this, the people are given the power to veto objectionable ordinances passed by council and they also have the right to initiate and put through ordinances which council may refuse to enact. It is safe to assume that from now on no franchises will be jobbed through council at the expense of the people. Governor Harmon signed this law Wednesday afternoon. Another bill he signed is that by Evans, providing for the inspection of steam boilers. The awful boiler explosion in Canton a year ago, which caused the loss of many lives, led to the introduction of this bill. The head of the stationary engineers department is to have charge of the boiler inspection. Another bill which has become a law was the Dotson bill which establishes a building code for the state.

Booze Consumption Increases.

Columbus, June 15.—Internal revenue reports of collections in Ohio for the month of May show that the consumption of beer and liquors has increased since the passage of the Rose county option law. Collections for May, 1910, show that the government tax on beer was $25,892.50, while for May, 1911, collections on beer amounted to $57,402.50, which is an increase of over 60 per cent. The total collections in Ohio for the internal revenue department for May, 1911, were $192,211.59 against $74,551.29 for May, 1910. Practically the entire increase was from the government tax on beer and whisky. In the past year there has been a gain of 189 saloons in Ohio.

For the first time in two years, however, in "wet" Kentucky, the taxes collected on whisky show a falling off. In May, 1911, the tax collected was $166,597.95, while in May, 1910, the amount collected was $190,219.31.

Abolished Fat Canal Job.

Columbus, June 15. — The state board of public works has segregated Mal Karshner, well-known political boss, of Columbus, from his job as superintendent of the abandoned part of the canal south of Columbus. Karshner has had nothing to do but make out the payroll once a month and draw his salary. He has been getting $1800 a year, with several hundred dollars extra for expenses. Chief Engineer James Marker held up Karshner's salary for the past month and told the board he did so because Karshner was not doing any work. The board composed of two Republicans and one Democrat, decided at once that they would not fire Karshner, but that they would get rid of him by abolishing his job.

HOME GUARDS PLAN TO ERECT ORPHAN'S HOME

Alliance, June 15.—At the district convention of the Home Guards of America held in Alliance Monday and Tuesday, a resolution was adopted providing for the erection in the near future of an orphans' home. The place for the home has not been decided upon. Election of officers resulted as follows: District counselor, T. M. Wyndham, Warren; district secretary, Mrs. Lucy Suder, Canton; district treasurer, W. E. Hillman, Warren; representative to the supreme lodge, P. D. Lilly, Canton; T. M. Wyndham, W. E. Johnson, Akron; Mrs. Fannie Allen, Youngstown, and S. M. Wise, New Berlin; alternates, P. M. Waggens, Alliance; Mrs. Lucy Snyder, Canton, Carl Greenmyer, Alliance; Ella B. Vogan, Eureka, and Henry Austins, Canton.

The next convention will be held in Akron in two years.

Growing Asparagus.

Asparagus may be started from seed and come into size for table use at the third year. Seeds may be planted as late as mid-summer.

It requires about six weeks for the seed to germinate and come up. The young plants may be cultivated in rows as other garden vegetables and set in permanent rows or beds this fall or next spring.

The asparagus plant is doubly useful. The young shoots can be used for food and the foliage branches for decoration. Sprays of asparagus are equaled by few other plants for their pleasing effect in decoration.

The plants are very hardy, will stand all kinds of treatment, but will respond liberally to good treatment and will thrive in one place for ten to 20 years.

In Suspense.

Boston Herald: "Yes, I saw the play."

"The plot is very complicated. I dare say you were in suspense for a time."

"I was. I thought the woman in front of me wasn't going to take off her hat, but she finally did."

REP. EVANS BLAMES "WETS;" SAYS BIG FISH NOT CAUGHT

Canton, June 15. — "Many people here know what got me into trouble, who was responsible and why it all happened," said Representative Owen J. Evans, indicted after the legislative scandal yesterday upon his return from Columbus.

It was Mr. Evan's first statement since he became involved in the investigation. He attributes his downfall to the "revengful tactics of the liquor interests," because he voted against measures supported by the "wets."

"The investigation in Columbus has merely succeeded in landing some of the 'small fry,' continued Evans. "The grand jury has succeeded in getting the smallest men in the game. The whole thing down there is a wonderful muddle. That's about all there is to say about it.

"I was unfortunate, but have been punished and I think public interest now centers on the legislators whose trials soon are to come up.

"As to the situation in Columbus I probably can tell no more than the general public now knows. The hearing of Rodney J. Diegle, sergeant-at-arms of the senate, the first to be taken up, may bring out some interesting information.

"The whole thing down there is a strange mix-up. The old saying that 'fish as big as any ever caught are still swimming in the sea' holds true in this legislative bribery business.

"In my own case my record will show good. I voted for absolutely every bill introduced for the good of the people. The legislature passed many good labor bills. I voted for every one of them. I also voted for some which did not pass. I did not clash with the governor, but rather stood by him, and I worked faithfully throughout."

PLAN TO ELIMINATE POTTERY STRIKES

East Liverpool, June 15.—The first step to be taken in the forthcoming annual convention of the National Brotherhood of Operative Potters will be the meeting for one week in East Liverpool at the Brotherhood headquarters of the auditing committee. This committee will have considerable more work to do this year than in past seasons, for it will be their task to go over the data connected with the insurance department. This has been the first year the new insurance law has been in force.

A meeting of the executive committee of the Brotherhood will be held in Atlantic City three days prior to the opening of the convention on June 20. Delegates from the western pottery districts will leave East Liverpool and Pittsburg in two special all-steel day coaches the morning of June 29.

It is asserted in some quarters that the bulk of the resolutions to be attended to this year on the convention floor will have to do with the inner legislation of the organization, and that the lesser number of resolutions will refer to the working rules and conditions in the shops.

By far the most salient proposition are those which refer to the election of all officers by a referendum vote—and the submitting of all questions in dispute to a board of arbitration. The latter resolution, if adopted, will forever do away with any strike in the domestic or sanitary pottery trades of the United States.

SLIGHT MISHAP IN CURTISS FLIGHT

Akron, June 15.—Boomers 200 strong in two special cars and accompanied by a band, arrived here early Thursday morning to campaign in behalf of Elyria for the next convention of the Eagles. Wapakoneta and Columbus also are making strong bids for the next meeting.

Officers for the ensuing year were yesterday selected, as follows: President, William A. Hyde, Marietta; vice president, S. S. Cunningham, Akron; secretary, Dan R. S. Sullivan, Columbus; treasurer, Henry G. Hoemer, Cincinnati; chapiain, C. T. Else, Gallon; conductor, John Murry, Cambridge; inside guard, S. B. Pratt, Portsmouth; outside guard, Charles Seidfell, Murray City; trustee, H. O. Stanton, Zanesville.

Glenn H. Curtiss, howe under the Eagles' auspices, had a near accident at Lakeside park last evening, when one of his propellors snapped with the machine at a height of more than 100 feet and directly over the middle of Summit lake. A piece of the propellor two and one-half feet in length and two inches in width snapped off and dropped into the lake. Curtiss gradually dropped to the surface and slowly worked his way to the starting point. Fifty thousand people witnessed the exhibition.

During the excitement a section of reserve seats broke down, 50 persons being precipitated to the ground. None were injured.

F. S. Rexford, 615 ew York Life Bldg., Kansas City, Mo., says: "I had a severe attack of a cold which settled in my back and kidneys and I was in great pain from my trouble. A friend recommended Foley Kidney Pills and I used two bottles of them and they have done me a world of good." For sale by Bolger & French.

Depositors Out Savings.

Akron, June 15.—Attorney Charles Smoyer, as assignee and trustee, yesterday took charge of the Foreign Exchange bank, until Tuesday conducted by Joseph Hershey. According to Smoyer, Hershey is short about $2,500, which was deposited by about 40 Hungarians.

According to his investigation, the creditors and depositors of the institution will realize little.

Ravenna, June 15.—The biggest society event of the season occurred yesterday when Gladys Merrill, daughter of Prof. and Mrs. F. A. Merrill was married to Edward Green, both of Ravenna. The wedding took place at the home of the bride's parents at Twin lakes and over 150 guests were present.

Your Neigghbor's Experience

How you may profit by it. Take Foley Kidney Pills. Mrs. D. Gilkeson, 226 Inglis avenue, Youngstown, O., says: "I had kidney and bladder trouble for some time and though I received some results from other kidney pills yet they did not cure me as Foley Kidney Pills have done. The first few doses relieved me and after using three or four bottles I am entirely over all my kidney and bladder trouble. Foley Kidney Pills were the means of restoring my kidneys to their normal condition and I can highly recommend them." For sale by Bolger & French.

FEET TIRED — SO TIRED?

TIZ Makes Sick Feet Well No Matter What Ails Them.

TIZ acts at once and makes tired aching, swollen feet remarkably fresh and sore proof.

It's the sure remedy, you know, for everything that gets the matter with your feet. It's for sore feet and for sweaty, bad-smelling feet, and for corns, callouses and bunions, too.

"For years I have been troubled with sore and tender feet; suffered intense pains. Have had the assistance of physicians without relief. I bought a box of TIZ, which worked a perfect cure, as it has with a great many of my friends. I would not be without it. All it requires is to be known to be universally used." A. F. Dreutzer, Chicago.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which brings on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

TIZ is for sale at all druggists, 25 cents per box, or it will be sent you direct, if you wish, from Walter Luther Dodge & Co., Chicago, Ill.

WORLD WIDE NEWS

BIG BAKERIES IN NEW COMBINATION

New York, June 15.—The General Baking company, a combination of leading bakers of the country, has been incorporated under the laws of the state of New York with a capitalization of $7,000,000 preferred, $5,000,000 common stock and $3,500,000 first mortgage bonds. The issue has been underwritten and will be sold by a syndicate under the management of Harvey Fiske & Son. In order to escape any violation of the anti-trust law there will be no attempt to establish a monopoly.

The real purpose of the company, according to the prospectus issued today, will be to effect economy in the buying of materials and the use of scientific manufacturing methods.

The following are the baking companies which have been taken into the merger: Fleischmann's Vienna Model Bakery, Inc., New York city; McKinney Bread Co., St. Louis; J. G. & R. S. Ferguson Co., Boston; Boston Baking Co., Washington; Ontario Biscuit Co., Rochester; United Bakery Co., Toledo; Motion Baking & Manufacturing Co., Detroit; Arnold Allbona Co., Providence; Vorien Baking Co., New Orleans; Freihofer Verona Baking Co., Philadelphia; George Fox Co., Boston; Juergens Baking Co., Wheeling; Collins Baking Co., Buffalo; Weber Baking Co., Newark; C. Martens Co., Inc., Buffalo; Canton Baking Co., Canton, O.; Rochester Baking Co., Rochester; Cleveland Bread Co., Cleveland.

CANTON GETS NEXT K. OF P. GRAND LODGE MEETING.

Hamilton, June 15.—The grand lodge of Ohio, Knights of Pythias, closed their convention here yesterday afternoon. The Pythian Sisters will finish their work today. The grand lodge selected Canton as the meeting place for 1912.

At yesterday morning's session B. F. Casebeer, of Hicksville, was elected as a trustee and Frank R. Lander, of Cleveland, and William H. Manner, of Coshocton, as Pythian home directors. Fred Brummel, of Cleveland, was appointed as a member of the grand tribunal by Grand Chancellor Spencer Wallace. Frank T. Roecker, of Cleveland, was appointed a county deputy.

The Pythian Sisters yesterday elected Margaret Baddelly, of Toledo, grand chief. Mrs. Emma Jefferson, of this city, was elected trustee and Mrs. James Smith, of St. Marys, outer guard. Other officers were advanced. The Past Grand Chancellor's association endorsed Brig. S. Young, of Ada, for vice supreme chancellor.

During 1911 the 13th of the month falls on Sunday once, Wednesday twice, Thursday twice, Friday twice and Saturday once.

NEWS IN CONGRESS.

BERGER MAKES HIT IN MAIDEN SPEECH

Washington, D. C., June 15.—The first day of the consideration of the Canadian reciprocity bill by the senate was characterized by several events. In addition to listening to speeches by Senators Curtis, of Kansas and McCumber, of North Dakota, in opposition to the measure, the senate made the bill the unfinished business on the calendar and without opposition, changed the regular daily hour of meeting from 2 o'clock to 12 o'clock noon, which is expected to materially assist in disposing of the session. Today Senator Nelson of Minnesota will speak in opposition to the bill.

Victor Berger, the lone Socialist, brought all of the congressmen out of the lobbies and cloak rooms when he arose to expound the views of his party on the tariff. He had an hour allowed to him by the Republican side.

Berger is for a tariff which will benefit the workmen, with a sliding scale of duties that shall move up and down with the wages. He denounced the protective tariff principles as a "fallacy."

"If the workingman wants to be protected," Berger added, "he must commit a crime. Then he gets the protection of a jail or penitentiary.

"Labor has protected itself by strikes and boycotts, declared illegal by the supreme court. I hope labor will continue to use them to resist forcing down the standard of the bulk of our population to a Chinese level.

"The average of wages, the social privileges and the independence of the wage earning and agricultural population, when compared with the increase of wealth and social production, are steadily decreasing. Some day there will be a volcanic eruption. A fearful retribution will be enacted on the capitalistic class as a class, and the innocent will suffer with the guilty."

The hall was filled and Berger was accorded a reception and a hearing seldom equaled. Immediately behind him "Uncle Joe" Cannon listened attentively and now and then applauded vigorously.

ABUSE OF MULE IS CAUSE OF STRIKE

Bridgeport, June 15.—Because the company would not reinstate an employe discharged for abusing a mule, the 200 miners employed at the Moores Run mine went on a strike yesterday. The company claims the driver in question had already killed one mule and crippled two others.

It was stated by an official of the organization that the case will not be finally disposed of for several days, but that a tentative agreement probable will be reached whereby the miners can return to work pending a final adjustment. The strike came the first day the new sub-district president, O. J. Albasin, was in office, but strikes are not new to him and he says it will be adjusted soon.

Railroads Resist Rules.

Columbus, June 15.—The railroads of the state have made application in the common pleas court for an injunction to restrain the Ohio railroad commission from putting its new car demurrage rules into effect. The application is made in the name of the Akron & Barberton Belt railroad, and other lines, against the commission. The railroads contend that the rules are in violation of the interstate commerce act. The question at issue is whether or not control of car service is lodged with the state railroad commission or with the interstate commerce commission. This question has long been a bone of contention between the railroads and the railroad commission.

HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

1878-1910

The woods are full of remedies for Croup, Grip, Coughs, Catarrh, Asthma, etc., though many thousands of families in the United States and Canada regard Brazilian Balm as King of all. But it is surely King in another line, for it was the first and only remedy in history offered to the public for the prompt cure of Typhoid (at any stage) and for the prevention and cure of contagious diseases with an unbroken record of success of over 30 years behind it.

Its secret lies, as all scientific men agree, in its power to instantly kill the noxious germs, and the disease vanishes—or if given in time, (15 drops 4 or 5 times a day) it absolutely prevents, even to diphtheria and Smallpox. Thus in an epidemic a 50c or $1.00 bottle will safeguard a whole family, no matter how greatly exposed.

We do not invade the domain of the Doctor, for no doctor to our knowledge, claims to prevent and instantly cure this class of diseases—but must let them "run their course." Their idea is that what would kill the germs would kill the patient, yet this simple, safe and harmless balsam, without a trace of narcotics, minerals or poison in it, has never failed, or lost a case of croup, grip, catarrh, pneumonia, typhoid or contagious diseases in 30 years; thus proving that drastic and dangerous drugs are not required in an effective antiseptic. So utterly are the germs annihilated out of every organ and tissue that no evil after results follow, as deafness, blindness, etc., after measles or scarlet fever. If Helen Keller had been treated with Brazilian Balm I believe she would not have been left deaf, dumb and blind after measles in her seventh year. It even cures Quick Consumption down to last stage if all narcotics are abandoned, which kills the effect of the Balm. Put in a wound relieves in an hour and cures the Blood Poison over night. Here again it stands alone. At druggists 25c 50c and $1.00 a bottle or send us $1.00 for two $1.00 bottles, you to pay express.

an investigation, at the same time asking the proper authorities to flush the dead ends and to cover the reservoir and standpipe.

The sanitary policeman was authorized to serve notices on those manufacturing companies who have been turning exhaust gas and steam into the Depot street sewer to discontinue the practice, owing to the noxious odors that arise from the sewer opening, caused by the gas and steam. He was also instructed to grant an extension of time to residents of the south side of Walnut street for connecting with the sewer, provided that they keep their drains in a sanitary condition.

No contagion existed in the city during the month of May, according to Health Officer E. J. Schwartz's monthly report. Four deaths in the month were caused by arteno sclerosis, peritonitis, still birth and la grippe. All were females and all white. Burials were made as follows: Hope cemetery 2, Grandview and East Liverpool. Twenty babies were born during May, 13 females and 7 males, all white.

Sanitary Policeman David Goodwin reported that he had served 172 nuisance notices in May. Twelve property owners on Walnut street, Penn street, East Fourth street and Ellsworth avenue, were notified to connect their properties with the sewers on those streets and all have failed to comply. The officer cremated eight animals during the past month. Dairy and Food Inspector Cash Johnson found the butcher shops, slaughter houses and barns in sanitary condition.

Visit Daughter in Oberlin.

Mrs. J. H. Hopkins left Thursday morning for Oberlin, where she will spend a few days visiting her daughter, Miss Lucy Hopkins, who has returned from the far west, after a two year's absence. Miss Hopkins has been engaged as a traveling student for the Women's Christian association and for the past two years has been traveling extensively in Oregon, Washington and Idaho. She has returned to attend the commencement exercises of the Oberlin college, which she formerly attended.

Lads Bicycling to Cleveland.

Two Pittsburg lads passed through Salem Thursday morning enroute to Cleveland on their bicycles. J. E. Sheppard and P. T. Collins, of Knoxville, had left their homes Wednesday morning and spent the afternoon and night visiting in East Liverpool and expected to reach the Forest City Thursday evening. They expect to return via Youngstown and Salem.

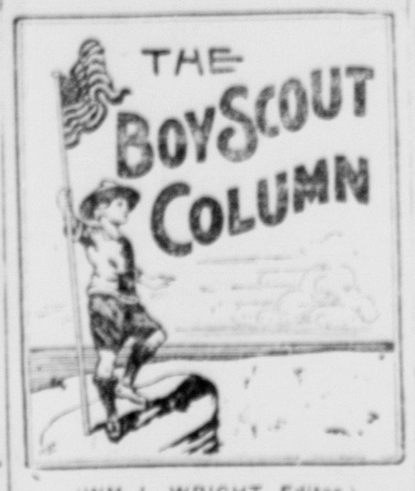
The Smith Co



(WM. L. WRIGHT, Editor.)

Eight members of the Fox patrol, troop one, made a very enjoyable trip to Pine hollow late Saturday afternoon under the direction of their scoutmaster. Cooking and fire building tests for second-class were conducted by some of the members while others went to nearby farmhouses in quest of water. After a splendid scout dinner had been disposed of and some signal practice with American Morse code, the party returned to the city, about 8:30 o'clock.

The patrol now numbers 14 members and is in charge of the patrol leader and two assistants. They are rapidly getting ready to enter the second-class division. Within the past week several met and passed their test in going "a mile at Scout's pace in 12 minutes," making the distance in considerably less than the time required. "Scout's pace" consists of about 50 steps running and 50 walking, alternately.

Scouts Enjoyed Skating Party.

After a short business session at the regular meeting last Friday, the 40 or more scouts present spent the remainder of the evening in skating. Needless to say, this diversion was thoroughly enjoyed by all. It is expected that it will develop into a regular monthly feature.

Training Class Organized.

Announcement was made last week of the possibility of starting in the near future a training class for scoutmasters and assistants. This organization has now been effected and will be under the direction of the editor of this column. The first meeting was held Wednesday evening at the latter's home, with seven members present. The subject of elementary first aid and bandaging requirements for second-class scouts was studied, covering general directions for first aid in injuries, treatment for fainting, shock, fractures, dislocations, bruises, in which skin is broken, burns and scalds, demonstrating how to carry injured and use of triangular and roller bandages and turniquet.

As previously stated, this class is the outgrowth of the difficulty experienced in getting sufficient official help to properly carry on and push the scout work in Salem. Despite the slow progress in some patrols, many of the boys are extremely interested and the object of the class is to train some of the older ones to act in the capacity of assistant scoutmasters, thereby enabling the scoutmaster to handle a larger number of scouts. The interest shown in the initial meeting was very gratifying, and it will doubtless prove a weekly feature.

Badges of Merit for Scouts.

The new manual which will soon be ready for distribution contains illustrations of 61 different badges of merit and the requirements necessary to secure them. These badges are attainable by any scout after passing the second-class and first-class tests. No scout, however, can secure or wear such a badge who has not qualified for first-class division. They are intended to stimulate the boys' interest in the life about him and are given for general knowledge.

General Notes.

Members of the Fox patrol are requested to have their tracking irons made at once, according to the pattern shown on page 142 of the old manual, and to bring them to the meeting Friday evening.

Have you got your staff yet? If not, get busy quickly! They will be needed by every scout at Friday's meeting. The staff should be about 6 feet long and 1½ inches in diameter, marked off in feet and inches on one side. Don't forget to bring yours Friday!

If you have not learned to imitate the call of your patrol yet, do so at once.

Every scout desiring to secure a copy of the new manual should bring his money for same Friday evening. Headquarters demand cash in advance from all—no carrying accounts. The price is 30 cents, or less in quantities. The order will be sent in Saturday.

Eight members of the Crows and Eagles cooked dinner and spent the evening on Monday at Pine hollow, under the direction of Assistant Scoutmaster Boston. They report a splendid time.

Lives of Passengers Saved.

Paducah, Ky., June 15.—(Special).—The lives of 65 persons aboard the steamboat John Lowery were saved this morning by the cool head of the captain when fire broke out and several barrels of oil exploded. The boat burned to the waters edge, but everyone got ashore safely.

ADJOURNED MEETING OF MAHONING PRESBYTERY

Youngstown, June 15.—An adjourned meeting of Mahoning Presbytery was held Tuesday morning in Helen chapel with about a score of Presbyters present. In the absence of the moderator, Rev. John C. Struble, of Lisbon, the Rev. W. Carson Press, pastor of the Evergreen church, a former moderator, presided.

The Rev. D. I. Shaffer, of the Presbytery of Clarion, was received into the membership of the Mahoning Presbytery. The Rev. Mr. Shaffer has accepted the call of the Vienna church for his pastoral services. He will also act as stated supply to the Brookfield church. The installation services will be held June 21 in the Vienna church. The Rev. G. Minor Whitenack, pastor of the Westminster church, this city, will preach the sermon. The Rev. Wm. P. Hollister, of East Palestine; the Rev. Franklin P. Reinhold, of Warren, and other ministers will take part in the service.

The Rev. Wm. L. Swan, D. D., of Salem, stated clerk of the Presbytery, reported on behalf of the executive commission relative to the affairs of the Struthers church. The Presbytery approved and by further action upheld the report of the commission.

The Rev. D. H. Evans, D. D., of this city, was appointed a chairman of a committee on historical matters pertaining to Mahoning Presbytery.

VITAL STATISTICS WILL NOW BE HARD TO OBTAIN

It is the belief of the members of the state vital statistics bureau that the recent supreme court decision deprives the bureau of all its power. The court has held that physicians and midwives cannot be compelled to furnish vital statistics and if they are to be obtained, it will be necessary for the department to secure an appropriation for the purpose, and pay local registrars to get the information about births which, under the law, the supreme court has held unconstitutional, was obtained from physicians and midwives. It is feared that not only is the department barred from getting birth statistics, but also those on deaths.

This decision has been a decided blow to Salem, for the local district has been placed among the first in the state for returning competent and complete vital statistics. It has been due to the efforts of Dr. E. J. Schwartz, the local registrar, who was greatly interested in the establishment of this work of the bureau, that the state bureau has looked upon Salem for the most efficient report of vital statistics in the past.

Rather Young to Pass Examination.

Wooster, June 15.—Mary Bolsgrain, age 12 years, of Marysville, O., is believed to be the youngest pupil in Ohio to pass the Patterson examination.
